

THE ALDWORTH CHARITY CLUB NEWSLETTER NOVEMBER – DECEMBER 2019

Hello and welcome to the latest newsletter written and produced by everyone who attends the Aldworth Charity Club. You will find all the latest information about the fundraising activities we have been involved in around school, how we support the school and local community and what future fundraising plans we have, and if there are any messages you need to know about. We hope you enjoy reading it.

CHARITY FOCUS: SAVE THE CHILDREN

In the UK and around the world Save the Children make sure children are safe and healthy. The charity supports children to learn, grow and become who they want to be. They lead the way on tackling problems like pneumonia, hunger and protecting children in war, while making sure each child's unique needs are cared for. They find new ways to reach children who need them most, no matter where they're growing up. For a century, Save the Children has stood up for children and made sure their voices are heard. The charity wrote the treaty that sets out the rights of every child, and they've been upholding them every day since. Together with children, supporters and partners, Save the Children work to help every child become who they want to be.

THE CHARITY CLUB FOOD BANK SCHEME

Charity Club held a successful collection day in aid of the Basingstoke Food Bank on Tuesday 22 October. Both students and staff were generous enough to donate a grand total of 320 items for the food bank ranging from cereal, canned meat and vegetables to pasta and basic toiletries. This has been a hugely successful start to our 'big project' for the year which is to try and donate 1000 items to the food bank if we possibly can. We will have two more collection dates in order to try and achieve this, one date being in the spring term and one date being in the summer term. Please look out for future information regarding our next collection date after Christmas. Many thanks to all those who donated items as well. Please feel assured that your donations will make a **BIG** difference to many people living in the Basingstoke area.

CHILDREN IN NEED 2019

Charity Club held a successful day of fundraising for Children In Need on Friday 15 November with lots of fun and exciting activities taking place. As well as holding a non – uniform day there was a bake sale, Children in Need games and activities and a Children In Need photo booth – a brand new activity for 2019! Both students and staff were kind enough to donate a range of fantastic cakes and edible goodies including an amazing cake in the style of Pudsey Bear for our bake sale. There was a very long queue of students and staff waiting for the sale to start and everyone who attended had a great time. Tutees from 8N tutor group also put on a fun activity next to the bake sale where students could throw bean bags through a Pudsey target in order to win a prize. 8P tutor group also put on a basketball inspired game in the Sports Hall in order to raise a few extra pounds. £1000 was raised in total and Charity Club would like to say a huge thank you to all those who came down to our bake sale or supported us on any way.

CAN YOU HELP US?

Charity Club are always on the lookout for support with our projects and a chance to grow our contact list. For instance, we benefit greatly from our excellent partnership with Sainsbury's who are always kind enough to supply us with prizes for raffles and competitions as well as food and drink items for our events. Without support like this, Charity Club's events would not be as successful as they are. If you are able to help us out in any way, please drop us a line here in school and we look forward to hearing from you soon.

Recent donations received from Sainsbury's

DID YOU KNOW?

The Save the Children Fund, commonly known as Save the Children was established in the United Kingdom in 1919 to improve the lives of children through better education, health care, and economic opportunities, as well as providing emergency aid in natural disasters, war, and other conflicts. Charity Club are marking the charity's centenary by supporting them this Christmas. Happy birthday Save the Children!
