

Our Ref: CPN/JDY

9 June 2023

Dear Parent/Guardian

We are looking forward to welcoming your child to Aldworth School. The transition programme 'Set for 7' is about helping students feel prepared and comfortable for this big change in their life. Our induction programme aims to help the students to become more familiar with the school and more confident with the transition from primary to secondary. We have a number of upcoming opportunities that form a part of the 'Set for 7' programme.

We have started the engagement with the primary schools regarding each student and have been visiting the children in these settings on a 1:1 basis. The information we collect will be used to build initial relationships, discuss details of the move to secondary school and enable us to make careful judgements about tutor and core learning groups.

Included in this communication are the following letters:

- Transition days - 29 and 30 June
- Set for Seven live show - 19 June
- Summer School - 24 – 28 July

In addition to the events above we will also be hosting an induction evening for you and your child on Tuesday 11 July at 6.00pm. During this evening we will give key information about the school, talk through what to expect from every day and what happens over the academic year. This evening will also provide an opportunity for the children to meet with their new tutor groups and find out a little bit about them.

In the meantime, could I ask that you complete the following questionnaire which will give us all the important parental information that we need to ensure your child has the best and safest start to school. It is quite a long form, so I'd suggest you sit down with a cup of tea, a list of contact numbers and your child to save you keep having to get up and down. We would like this form completed by Monday 26 June.

<https://forms.office.com/Pages/ResponsePage.aspx?id=RDeYj-ydTkeopTEzNBRyUopIe66LfspAmviO5be88aVUQjBfMzE3WVFDTkJBNTIyUFdTOTZBRU1JMS4u>

If you do not have internet access or problems accessing it, please let us know by leaving a message on the school answerphone or by emailing enquiries@aldworth.hants.sch.uk and we will provide a paper copy.

We have established a 'Set for 7' group on our Facebook and a page on the school website. We will try and keep any letters and will include a key staff and FAQ section, these are in construction but currently up, open and running. Hopefully this will be a useful resource for you and your child. These pages will be used to supplement information and communication sent home, it will never replace. If you are a Facebook

user you may find the community useful as a one stop shop for information and reminders. The Set for 7 group can be found on our Aldworth Facebook page or by following this link.

[Aldworth School Set for 7 2023](#)

Please also find attached Biometric Information Sheet and Biometric Data Privacy Notice for your information and Skoolkit 2023 School Uniform Price List.

We are looking forward to meeting you and supporting you through your journey to Aldworth and beyond.

If you have any further questions or queries please do get in contact using our general email address enquires@aldworth.hants.sch.uk

Thank you for your continued support.

Yours sincerely

Mrs C Poulton

Mrs C Poulton
Deputy Headteacher

SCHOOL BIOMETRIC DATA INFORMATION SHEET

Aldworth School ('the School') wishes to use data about your child as part of an automated (i.e. electronically-operated) recognition system. This is for the purposes of using the catering services. The data from your child that we wish to use is referred to as 'biometric data'. We are legally required to notify each parent of a child and obtain the written consent of at least one parent before being able to use a child's biometric data for an automated system.

Biometric data and how it will be used

Biometric data is information about a person's physical or behavioural characteristics that can be used to identify them. The School would like to take and use data from your child's fingerprint and use this data for the purpose of providing your child with access to the catering system.

The data will be used as part of an automated biometric recognition system. This system will take measurements of your child's fingerprint and convert these measurements into a template to be stored on the system. An image of your child's fingerprint is not stored. The template (i.e. measurements taken from your child's fingerprint is what will be used to permit your child to access services.

When using biometric data about your child for the purposes of an automated biometric recognition system the School will ensure that:

- parents are told what the school intends to do with the data
- the data will not be used for any purpose other than the purpose for which it was originally obtained and made known to parents
- the data is stored securely
- the data will only be shared where the law allows it

A privacy notice is enclosed with further information about the collection and use of your child's biometric data.

Providing your consent/objecting

To be able to use your child's biometric data, the written consent of at least one parent is required. Either parent can object in writing to the use of their child's biometric data. If a parent objects, the School cannot collect or use their child's biometric data for inclusion on the automated recognition system. Similarly, if your child objects, the School cannot collect or use their biometric data for inclusion on the system.

You can also object at a later stage or withdraw any consent you have previously given. Please note that any consent, withdrawal of consent or objection from a parent must be in writing.

The School is happy to answer any questions you or your child may have.

If you do not wish your child's biometric data to be used by the School, or your child objects, the School will provide reasonable alternative arrangements to access the catering services.

PRIVACY NOTICE – SPECIAL CATEGORY – BIOMETRIC DATA

Aldworth School ('the School') collects and uses your child's biometric data. The School will use the data for the following purpose(s): For the purposes of purchasing meals at the school canteen. The School's lawful basis for the use of your child's biometric data is your written consent. The School will keep your child's biometric data in accordance with the School's retention schedule. You have some legal rights in respect of the biometric data we collect from your child. Please see the School's general privacy notice on our website: www.alldworth.hants.sch.uk for further details. You can contact the School's Data Protection Officer at: dpo@alldworth.hants.sch.uk If you have a concern about the way we are collecting or using your child's biometric data, you should raise your concern with us in the first instance or directly to the Information Commissioner's Office at: <https://ico.org.uk/concerns/>
