Teacher of Business Studies

Aldworth School

Aldworth School is proud to serve our local area, and we are determined to make a difference to children's lives. We work hard to foster a sense of belonging amongst all members of our community, and we believe in the power of education to 'build brighter futures'.

Aldworth is a continually improving school. The school has been transformed over the last couple of years; outcomes are now stronger and continuing to improve. We are continuing to focus on delivering the best for our community and drive continual improvements to the school.

At Aldworth, we have an ongoing focus on improving the curriculum and delivery of the curriculum through improving teaching. We use adaptive teaching to check understanding throughout the lesson, adapting and re-teaching in response so all learners master key concepts. We are collaborative, and our staff support each other.

Computing, IT and Business Department

We are seeking a teacher for our Computing/ICT/Business department with a specialism in Business. We have a range of KS4 courses spanning BTECs and GCSEs. The school is aiming to further develop our teaching and learning strategy, so you will need to be passionate about developing pedagogy to enable all students to make good progress.

We are seeking an inspirational teacher to join our strong collaborative team of experienced teachers in delivering Business studies to KS4 students. The ability to teach a second subject is desirable, or we could consider a part time appointment.

Candidates

We welcome applications from a range of staff from more experienced teachers to those newer to the profession; we can somewhat shape the position for the correct person and will look positively on all applicants. For ECTs qualifying this year we can offer a start date of 1st July to ensure there is a supported induction to the school. The school actively encourages applicants from a range of backgrounds and is proud of the diversity of the staff.

Aldworth School is committed to safeguarding young people and we ensure that all our recruitment and selection practices reflect this commitment. All appointments are subject to full safeguarding checks, including an enhanced DBS check. Any candidates selected for interview will be subject to an online search as part of our due diligence checks. The school reserves the right to close the position early on receipt of a strong application, so if you are interested we would urge you to apply sooner rather than later.

To apply, please complete the Hampshire County Council Teaching Application form (available on our website) and send by email to recruitment@aldworth.hants.sch.uk

For further information or enquiries, please use the above email address or contact us on 01256 322691.
