| :---: | :---: | :---: | :---: | :---: | :---: | :---: |
| Year 7 | 7.1 working with place value. <br> 7.2 Introducing algebra. <br> 7.3 Lines and angles. | 7.4 The probability scale. <br> 7.5 Powers, roots and rounding. | 7.6 Formulae, sequences and rules. 7.7 Using measurement. | 7.8 Representing and interpreting data. | 7.9 Order of operations. <br> 7.10 Linear equations. <br> 7.11 Properties of shapes and solids. | 7.12 Ratio. <br> 7.13 Graphs of Linear functions. <br> 7.14 Congruence and scale drawing |
| Year 8 | 8.1 Arithmetical operations. <br> 8.2 Linear Equations. <br> 8.3 Angles in parallel lines | 8.4 Sets and unions. 8.5 Percentages. | 8.6 Sequences and Relationships. <br> 8.7 Symmetries and construction. | 8.8 Data relationships. 8.9 Multiples, factors and primes. | 8.10 Linear equations. <br> 8.11 Accuracy | 8.12 Dividing into ratios. <br> 8.13 Algebraic expressions. <br> 8.14 Transformations <br> 8.15 Diagrams and constructions. |
| Year 9 | 9.1 Arithmetic with fractions. <br> 9.2 Expressions and formulae. | 9.3 Angles and polygons 9.4 Theoretical probabilities. 9.5 Ratio and Percentage Change. | 9.6 Linear equations. <br> 9.7 Rearranging and solving Pythagoras Theorem. <br> 9.8 Measures of Spread. | 9.9 Mathematical Models. <br> 9.10 Graphical solutions to equations. | 9.11 Trigonometry and Pythagoras. 9.12 Standard Form | 9.13 Geometrical Sequences. <br> 9.14 Compound Units. <br> 9.15 Mathematical Relationships. |

| KS4 | Autumn H1 | Autumn H2 | Spring <br> H1 | Spring H2 | Summer H1 | Summer H2 |
